Final decision on several ten-months grants for initiating the PhD studies in Mathematics at the UAM, academic year 2012-13.

The Committee for Graduate studies of the Department of Mathematics of the UAM has considered the applications for **several ten-months grants for initiating the PhD studies in Mathematics at the UAM**, during the academic year 2012-13, and has decided the following:

Upon considering the academic records of the applicants, we have decided to award **five grants**, to the following students (listed in alphabetical order):

- Roger Casals
- Iason Efraimidis
- David González
- Ángel David Martínez
- Juan de Vicente

In the event that one or more of the students in the above list decline to accept the grant or fail to fulfill the requirements for the acceptance on time, the grants will be reassigned to the following students (listed in order of precedence):

1. Luis Felipe Prieto
2. Javier García Rodríguez
3. Beatriz Pascual
4. Enrique Molina
5. Irina Arévalo
6. María Cruz Prisuelos
7. Diana Giraldo

Candidates in this second group will be contacted in the event that they become eligible.

The selected candidates must send a letter of acceptance to the “Gestor del Máster” coordinador.master.matematicas@uam.es and apply for admission in the PhD Programme in Mathematics through the on-line application tool provided by the [Centro de Estudios de Posgrado](#) of the UAM within 15 days.
